

ALMURAD

INTERNATIONAL COMPANY LLC

PROFILE

AL MURAD INTERNATIONAL COMPANY is a limited liability company, incorporated in the Sultanate of Oman in January 1999. The company's activities include trading in electrical material and equipment, electrical maintenance and services.

A part of the Abu Dhabi based Musandam Group of Companies, comprising of Musandam Electrical Equipment Co. LLC., Abu Dhabi, UAE, Power Economy Middle East Co WLL., Abu Dhabi, UAE, Electrical Supplies Est., Abu Dhabi, UAE and Majan Switchgear Co LLC, Sohar, Sultanate of Oman. Al Murad is well known for a wide range of quality electrical products & services.

Al Murad has a massive warehouse measuring approximately 6,500 sq.m. in the industrial area of Ghala, Muscat. The store stocks at any point in time a good inventory of electrical items for the Construction and Power Distribution industry. The warehouse is equipped with latest automatic cable cutting machine, material handling equipments like forklift and delivery facilities like trailer & pick-ups.

The product portfolio of the company includes *electrical power cables, transformers, conductors, wooden poles, hardware, insulators, earthing material, power factor correction capacitor banks, low voltage switchgear and control gears, feeder pillars, control panels etc.* Further, Al Murad is one of the authorized distributors of Copper cables rating up to 33kV and overhead line conductors manufactured by Oman Cables Industry SAOG, a major material manufacturer for the power sector.

Various types of cable terminators, transmission line hardware and other accessories are stocked and sold by Al Murad.

AL MURAD ALSO STOCK SELL :-

FEEDER PILLARS	OVERHEADLINE HARDWARES
LV CUTOUT BOXES	ALL TYPES OF INSULATORS
CABLES GLANDS & LUGS	LV SWITCHBOARDS & DBS
CABLE COVER TILES	RING MAIN UNITS
ELECTRICAL WARNING TAPES	

There are several factors that are attributed to Al Murad's success- customer driven approach to business, constant efforts to build trust through quality and timely service, strong belief in long term relationship backed by a business philosophy that ensures fairness and flexibility in transactions.

Al Murad has a team drawn from highly qualified and experienced electrical engineers and technocrats.
